Unboxing Inspection

Thank you for purchasing our product. Please read the manual carefully before installation.
If you have any questions, please contact us, we will solve it for you in the first time.

Installation Method

		
1 Insert the iron rod into the support base and tighten the fixing screws.	2 Rotate the bottom screw to secure it to the edge of the table.	3 Insert the cat bed into the semi-circular iron pipe.
		
4 Connect the two circular iron pipes together.	5 Insert into the desktop support rod and tighten the fixing screws.	6 You can change the position of the cat bed.

Important:

- 1) Suggested maximum weight: less than 15KG.
- 2) Don't worry if your cat doesn't use it at the beginning, some cats need some time to accept it.
